GAIETY HOLLOW

Salem, Marion County, Oregon

NRIS #14000895
Listing Date: 12/16/2014

Revision of Area of Significance

The purpose of this amendment is to correct the note on the Area of Significance on p. 12 of the nomination. The Period of Significance reads, "1932-1969, Criterion A," whereas it should read, "1932-1969, Criterion B." This is clearly an error, as the Criteria under which the property was nominated are B and C.
