Amendment:

Alphabet Historic District

Roughly bounded by NW Lovejoy Street to the north, with a northern extension to NW Marshall Street; by NW 17<sup>th</sup> Avenue to the east; by W. Burnside Street to the south; and by NW 24<sup>th</sup> Avenue to the west.

NRIS # 00001293

Listed Date: 16 November 2000

The purpose of this amendment is to update the contributing status of one (1) building within the Alphabet Historic District (District).

Otto J. Kraemer Building, 428 NW 20<sup>th</sup> Avenue:

Change the status of the building from contributing to noncontributing. At the request of the owner, the recommendation from the City of Portland Historic Landmarks Commission, and in review of the submitted supporting documentation, the Oregon SHPO concurs that the building in question does not contribute to the Alphabet Historic District. The nomination incorrectly explained that the building did not have significant alterations at time of nomination but this statement neglected significant alterations to the building that occurred in 1957. Those alterations, which occurred outside of the district's period of significance, changed the appearance and character of the 1925 former garage building into an International Style building. Therefore, the Oregon SHPO finds that the building does not convey its historic integrity as related to the district's period of significance.
