Amendment:

Irvington Historic District

Roughly bounded by NE Fremont, NE 27<sup>th</sup> Avenue, NE Broadway, and NE 7<sup>th</sup> Avenue.

NRIS # 00001293

Listed Date: 22 October 2010

The purpose of this amendment is to update the contributing status of one (1) building within the Irvington Historic District (District).

John C. Kennedy House, 2107 NE 14<sup>th</sup> Avenue:

Change the status of the building from noncontributing to contributing. At the request of the owner, the recommendation from the City of Portland Historic Landmarks Commission, and in review of the submitted supporting documentation, the Oregon SHPO concurs that the building in question does contribute to the Irvington Historic District. The nomination appears to have determined the building as a noncontributing resource due to 1954 alterations to the porch on the south elevation. Since the listing of the district, the owners have restored elements of the building and the enclosed porch still retains the original porch floor, original fenestration, and the overall building retains integrity as related to the district's period of significance. Therefore, the Oregon SHPO finds that the building does convey historic integrity as related to the district's period of significance.
