Amendment:

Laurelhurst Historic District

Roughly bounded by NE Stark, NE Senate, NE 44th & NE 32nd.

NRIS # MP100003462

Listed Date: 18 March 2019

The purpose of this amendment is to update the number of resources within the historic district by removing one (1) building from the Laurelhurst Historic District (District) that is outside the district boundary.

3142 NE Wasco Street:

Remove the building from the resource count as the building was incorrectly identified as within the historic district boundary at time of listing. The resource in question is identified on page 291 of the nomination. It appears the resource was part of the initial Reconnaissance Level Survey for the District and was mistakenly left in the nomination when the District boundary was refined from that initial survey. In the nomination, the building at 3142 NE Wasco Street was identified as a noncontributing resource. With its removal the updated count for the District is 1308 Contributing, 435 Noncontributing, and 7 previously listed Contributing resources.
